His sarcastic personality began to develop there as a defense mechanism, although with Putnam, he always used to open up more and show how he really was. Putnam also doing the same.

After Tubiel's departure to the **School of the Cat** (Tubiel and Putnam got along very well and spent a lot of time together) the two became much closer, forming a small group, with **Zivor of Redania**, one of the most excluded kids in their generation of witchers, and despite the incident that caused him to lose an arm, caused because both of them, as teenagers, got high for the first time consuming Black Gull, their friendship continued, grew and strengthened over the years.
